03/24/2021 11:40:14 UTC PATRICK HALLIGAN (PHALLIGAN7@Bloomberg.net) posted: Good - hopefully we have the money we think we should and all of us can just focus on today

03/24/2021 11:45:41 UTC SCOTT BECKER (SBECKER15@Bloomberg.net) posted: From this filing, I can see the share count so I'll calculate that. In terms of when this is "effective," the earliest would be the settlement date of 3/26/21. Then we have that issue of confirming whether the deal has closed or not, so hopefully there is another filing/IR release that confirms settlement or gives the outstanding share count.

03/24/2021 11:46:45 UTC PATRICK HALLIGAN (PHALLIGAN7@Bloomberg.net) posted: The 8k sounds like the usual game plan
